

Residential Program Application

"I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing." -- Jesus (John 15:5; NKJV)

At the Transformation Project, we believe that following Jesus is the key to unlocking the strongholds that have led our physical, emotional, and spiritual bondage. While there are a lot of good things that we can invest in to get our lives turned around, the person and work of Jesus Christ is the foundation to build upon for lasting change to truly take hold. Upon the foundation of Jesus, we focus on restoring four elements of our lives that lead to healthy reentry and recovery.

Those four elements are: Faith, Integrity, Sobriety, and Health (FISH).

This written application and interview will help the team at the Transformation Project know what you believe about Jesus, helping them to best know how to come alongside you in order to lead and equip you to grow in your vital relationship with Jesus Christ and approach your reentry and recovery focusing on the four specific elements of our program.
