The Transformation Project is a recovery and reentry ministry that offers FREEDOM, HOPE, and TRANSFORMATION through Christian discipleship.

We have come to The Transformation Project seeking purpose and knowledge of God's will for our lives; seeking deeper relationship with Him and His son Jesus Christ. We expect that we will be transformed by the power of His Spirit and grow in the image and likeness of our creator, becoming free and sober of mind. We understand that we must completely turn our lives over to the care of the Lord in order to experience this lasting change. We have come in faith believing that God has put people in our lives who will help lead us with His direction, keeping us accountable and encouraging us so that we will continue to grow and mature in our faith. We know that this will take work but today we consent to the slow and steady process of becoming. Our ultimate hope is union with God and selfless service to Him and to the people he puts in our lives as we grow into strong and effective followers of Christ.
